

Notification of Source of Distributions

Pursuant to Rule 19a-1 of the Investment Company Act of 1940

As noted in the table provided below, the Principal Private Credit Fund made distributions for the month of September 2025 for which a portion is estimated to be in excess of the Fund's current and accumulated net income. As of September 30, 2025, the estimated sources of these distributions were as follows:

September 2025			
Fund	Net Income	Realized Gain	Capital Sources
Principal Private Credit Fund	94.23%	5.77%	0.00%

The ultimate composition of these distributions may vary from the estimates provided above due to a variety of factors including future income and expenses, and realized gains and losses from the purchase and sale of securities.
