Under an order from the United States Securities and Exchange Commission (the "SEC"), PFI and the Advisor may, subject to certain conditions including approval by the PFI Board of Directors (the "Board"), enter into and materially amend agreements with certain sub-advisors without obtaining shareholder approval. The order permits PFI and the Advisor to hire one or more sub-advisors, change sub-advisors, and reallocate management fees between the Advisor and the sub-advisors, without obtaining shareholder approval.

PFI is a Maryland corporation and an open-end management investment company registered with the SEC under the Investment Company Act of 1940, as amended (the "1940 Act"). The Fund is a series of PFI.

PFI's sponsor is Principal Life Insurance Company, an insurance company organized in 1879 under the laws of the State of Iowa ("Principal Life"), and the Advisor is the investment advisor to all series of PFI. BACKGROUND

At its meeting on October 26, 2023, the PFI Board, including all the directors who are not "interested persons" (as defined in the 1940 Act) of PFI (the "Independent Directors"), approved the addition of GMO as a sub-advisor to the Fund to manage a portion of the Fund's assets related to a new opportunistic securitized investment sleeve. The new sub-advisory agreement between the Advisor and GMO was effective February 15, 2024.

In addition to GMO, the Fund is also sub-advised by BlackRock Financial Management, Inc. ("BlackRock") and sub-sub-advisor BlackRock International Limited ("BIL"); Nuveen Asset Management LLC ("Nuveen"); PineBridge Investments LLC ("PineBridge"); Polen Capital Credit, LLC ("Polen Credit"); Post Advisory Group, LLC ("Post"); Principal Real Estate Investors, LLC ("Principal-REI"); and Spectrum Asset Management, Inc. ("Spectrum"). The sub-advisory agreements with BlackRock (dated August 24, 2023), Nuveen (dated January 13, 2022), PineBridge (dated April 7, 2022), and Polen Credit (dated January 31, 2022), and the sub-sub-advisory agreement with BIL (dated August 24, 2023), were most recently approved for renewal by the Board (including a majority of the Independent Directors) in September 2023, in connection with the Board's annual review and continuance of such agreements. The sub-advisory agreements with Post (dated January 1, 2024), Principal-REI (dated January 1, 2024), and Spectrum (dated January 1, 2024), were most recently approved for renewal by the Board (including a majority of the Independent Directors) on December 12-13, 2023. The Advisor also manages a portion of the Fund's assets pursuant to a management agreement, dated January 1, 2024, which was most recently approved for renewal by the Board (including a majority of the Independent Directors) in September 2023. Post, Principal-REI, and Spectrum are affiliates of the Advisor. Post's sub-advisory agreement was most recently approved by the Fund's shareholders on December 11, 2012, and the sub-advisory agreements with Principal-REI and Spectrum were most recently approved by the Fund's shareholders on December 15, 2008.

NEW SUB-ADVISORY AGREEMENT

The terms of the new sub-advisory agreement with GMO are the same in all material respects as the terms of the current sub-advisory agreements with the other current sub-advisors for the Fund (except, for the avoidance of doubt, for the effective date and fee schedule). The following is a brief summary of the material terms of the new sub-advisory agreement. This summary is qualified in its entirety by reference to the text of the new sub-advisory agreement attached to this Information Statement.

Under the new sub-advisory agreement with GMO, as with the current sub-advisory agreements with the other current sub-advisors, GMO will, among other things:

- (1) provide investment advisory services to the Fund, including providing investment advice and recommendations with respect to the Fund's investments consistent with the Fund's investment objective, investment policies, and restrictions;
- (2) place orders for the purchase and sale of the Fund's portfolio securities;
- (3) furnish, at its expense, all necessary investment and management facilities, including expenses for clerical personnel, and all administrative facilities, including bookkeeping;
- (4) advise and assist PFI's officers in taking such steps as are necessary or appropriate to carry out the decisions of the Board regarding the general conduct of the investment business of the Fund; and
- (5) provide periodic and special reports regarding the investment service provided to the Fund.

Compensation. Sub-advisory fees are paid by the Advisor out of the management fee the Fund pays to the Advisor and are not an additional charge to the Fund. Under the new sub-advisory agreement with GMO, and the current sub-advisory agreements with the other current sub-advisors, the Advisor pays each sub-advisor a fee.

BOARD EVALUATION OF NEW SUB-ADVISORY AGREEMENT

At its October 26, 2023 meeting, the Board considered the approval of a new sub-advisory agreement (the "Sub-Advisory Agreement") between the Advisor and GMO with respect to a new opportunistic securitized investment sleeve of the Fund.

As part of its review process, the Board reviewed materials received from the Advisor regarding GMO. Prior to approval, the Independent Directors met independently of management and of the interested directors to consider the Sub-Advisory Agreement. Based upon its review, the Board concluded that it was in the best interests of the Fund to approve the Sub-Advisory Agreement and, accordingly, approved the Sub-Advisory Agreement. In reaching this conclusion, no single factor was determinative in the Board's analysis, but rather the Board considered a variety of factors.

In approving the Sub-Advisory Agreement, the Board considered various factors, including the following, and made certain findings and conclusions with regard thereto.

Nature, Quality, and Extent of Services. The Board considered the nature, quality, and extent of the services expected to be provided under the Sub-Advisory Agreement. The Board considered the reputation, qualifications, and background of GMO, the investment approach of GMO, the experience and skills of GMO's investment personnel who would be responsible for the day-to-day management of the Fund's opportunistic securitized investment sleeve, and the resources made available to such personnel. The Board considered the Advisor's program for recommending, monitoring, and replacing sub-advisors and that the Advisor recommended GMO based upon that program.

Investment Performance. The Board reviewed the historical one-year, three-year, and five-year performance returns, gross and net of proposed fees, as of June 30, 2023 of GMO in a composite managed in the investment strategy for the opportunistic securitized investment sleeve of the Fund that GMO was proposed to manage, as compared to the historical performance returns, net of fees, of another sub-advisor's U.S. investment grade credit sleeve for the Fund, the Advisor's global investment grade credit sleeve for the Fund, one relevant benchmark index, and a relevant Morningstar category. The Board concluded, based upon the information provided, that GMO is qualified.

Fees, Economies of Scale, and Profitability. The Board considered the proposed sub-advisory fee, noting that the Advisor compensates sub-advisors from its own management fee so that shareholders pay only the management fee. The Board considered whether there are economies of scale with respect to the services to be provided to the Fund under the Sub-Advisory Agreement. The Board noted that the proposed sub-advisory fee schedule includes breakpoints. The Board noted GMO's representation that it does not have a comparable sub-advisory client for the opportunistic securitized investment strategy for the sleeve and considered the Advisor's statement that it found the proposed sub-advisory fee schedule to be competitive. On the basis of the information provided, the Board concluded that the proposed sub-advisory fee schedule was reasonable.

Other Benefits. The Board also considered the character and amount of other fall-out benefits to be received by GMO. The Board noted GMO's statement that it does not intend to use soft dollars in the opportunistic securitized investment sleeve. The Board further noted the Advisor's statement that there were no known fall-out benefits to GMO to result from its relationship to the Fund.

Overall Conclusions. Based upon all of the information considered and the conclusions reached, the Board determined that the terms of the Sub-Advisory Agreement were fair and reasonable and that approval of the Sub-Advisory Agreement was in the best interests of the Fund. Accordingly, the Board approved the Sub-Advisory Agreement.

PRINCIPAL FUNDS, INC.
SUB-ADVISORY AGREEMENT
GRANTHAM, MAYO, VAN OTTERLOO & CO. LLC

SUB-ADVISORY AGREEMENT (the “Agreement”) to be effective as of February 15, 2024, by and between PRINCIPAL GLOBAL INVESTORS, LLC, a Delaware limited liability company (the “Manager”), and GRANTHAM, MAYO, VAN OTTERLOO & CO. LLC, a Massachusetts limited liability company (the “Sub-Advisor”).

W I T N E S S E T H:

WHEREAS, the Manager is the manager and investment advisor to each series of Principal Funds, Inc. (the “Fund”), an open-end- management investment company registered under the Investment Company Act of 1940, as amended (the “1940 Act”); and

WHEREAS, the Manager desires to retain the Sub-Advisor to render discretionary investment advisory services for all or a portion of the assets of each series of the Fund identified in Appendix A hereto, as may be amended from time to time (the “Series”), which the Manager has agreed to provide to the Fund, and the Sub-Advisor desires to furnish such services; and

WHEREAS, the Manager has furnished the Sub-Advisor with copies properly certified or authenticated of each of the following and will promptly provide the Sub-Advisor with copies properly certified or authenticated of any amendment or supplement thereto:

- (1) Management Agreement (the “Management Agreement”) with the Fund;
- (2) The Fund’s registration statement and financial statements as filed with the Securities and Exchange Commission (the “SEC”);
- (3) The Fund’s Articles of Incorporation and By-laws;
- (4) Policies, procedures or instructions adopted or approved by the Board of Directors of the Fund relating to obligations and services to be provided by the Sub-Advisor.

NOW, THEREFORE, in consideration of the premises and the terms and conditions hereinafter set forth, the parties agree as follows:

1. Appointment of Sub-Advisor

In accordance with and subject to the Management Agreement, the Manager hereby appoints the Sub-Advisor to perform the services described in Section 2 below for investment and reinvestment of such portion of the assets of each Series as may be allocated to the Sub-Advisor by the Manager, from time to time (the “Allocated Assets”), subject to the control and direction of the Manager and the Fund’s Board of Directors, for the period and on the terms hereinafter set forth. The Sub-Advisor accepts such appointment and agrees to furnish the services hereinafter set forth for the compensation herein provided. The Sub-Advisor shall for all purposes herein be deemed to be an independent contractor and shall, except as expressly provided or authorized, have no authority to act for or represent the Fund or the Manager in any way or otherwise be deemed an agent of the Fund or the Manager.

2. Obligations of and Services to be Provided by the Sub-Advisor

The Sub-Advisor will:

- (a) Provide investment advisory services, including but not limited to research, advice and supervision for the Allocated Assets of each Series.
- (b) Furnish to the Board of Directors of the Fund for approval (or any appropriate committee of such Board), and revise from time to time as conditions require, a recommended investment program for each Series consistent with each Series’ respective investment objective(s) and policies and any specific criteria applicable to the Allocated Assets.
- (c) Implement the approved investment program for the Allocated Assets by placing orders for the purchase and sale of securities without prior consultation with the Manager and without regard to the

length of time the securities have been held, the resulting rate of portfolio turnover or any tax considerations, subject always to the provisions of the Fund's registration statement, Articles of Incorporation and Bylaws and the requirements of the 1940 Act, as each of the same shall be from time to time in effect.

- (d) Advise and assist the officers of the Fund, as requested by the officers, in taking such steps as are necessary or appropriate to carry out the decisions of its Board of Directors, and any appropriate committees of such Board, regarding the general conduct of the investment business of each Series.
- (e) Maintain, in connection with the Sub-Advisor's investment advisory services provided to the Allocated Assets, compliance with the 1940 Act and the regulations adopted by the SEC thereunder and the Series' investment strategies and restrictions as stated in the Fund's prospectus and statement of additional information and any specific criteria applicable to the Allocated Assets.
- (f) Report to the Board of Directors of the Fund at such times and in such detail as the Board of Directors may reasonably deem appropriate in order to enable it to determine that the investment policies, procedures and approved investment program of each Series (and any specific criteria applicable to the Allocated Assets) are being observed.
- (g) Upon request, provide assistance for the determination of the fair value of certain securities when reliable market quotations are not readily available for purposes of calculating net asset value in accordance with procedures and methods established by the Fund's Board of Directors. For the avoidance of doubt, the Sub-Advisor is not responsible for the valuation of the Fund's securities. Further, the Sub-Advisor will provide security and foreign exchange trade details to the Manager so that the effects of all securities trades entered into by or for a Series are included in the appropriate day's end of day net asset value. Sub-Advisor must also communicate all trade amendments, cancellations or re-books accurately and timely to be included in the daily net asset value of a Series. Rule 2a-4 of the 1940 Act permits registered investment companies to record security transactions as of one day after the trade date for purposes of determining net asset value.
- (h) Furnish, at its own expense, (i) all necessary investment and management facilities, including salaries of clerical and other personnel required for it to execute its duties faithfully, and (ii) administrative facilities, including bookkeeping, clerical personnel and equipment necessary for the efficient conduct of the investment advisory affairs of each Series.
- (i) Open accounts with Foreign Account Tax Compliance Act compliant broker-dealers, financial counterparties including, without limitation, swap counterparties, and futures commission merchants ("broker-dealers"); select broker-dealers to effect all transactions for each Series; place all necessary orders with broker-dealers or issuers (including affiliated broker-dealers); and negotiate commissions, if applicable. To the extent consistent with applicable law, purchase or sell orders for each Series may be aggregated with contemporaneous purchase or sell orders of other clients of the Sub-Advisor. In such event allocation of securities so sold or purchased, as well as the expenses incurred in the transaction, will be made by the Sub-Advisor in the manner the Sub-Advisor considers to be the most equitable and consistent with its fiduciary obligations to the Fund and to other clients. The Sub-Advisor will report on such allocations at the request of the Manager, the Fund or the Fund's Board of Directors providing such information as the number of aggregated trades to which each Series was a party, the broker-dealers to whom such trades were directed and the basis for the allocation for the aggregated trades. The Sub-Advisor shall use its best efforts to obtain execution of transactions for each Series at prices which are advantageous to the Series and at commission rates that are reasonable in relation to the benefits received. However, the Sub-Advisor may select brokers or dealers on the basis that they provide brokerage, research or other services or products to the Sub-Advisor. To the extent consistent with applicable law, the Sub-Advisor may pay a broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission or dealer spread another broker or dealer would have charged for effecting that transaction if the Sub-Advisor determines in good faith that such amount of commission is reasonable in relation to the value of the brokerage and research products and/or services provided by such broker or dealer. This determination, with respect to brokerage and research products and/or services, may be viewed in terms of either that particular transaction or the overall responsibilities which the Sub-Advisor and its affiliates have with respect to each Series as well as to accounts over which they exercise investment

discretion. Not all such services or products need be used by the Sub-Advisor in managing the Allocated Assets. In addition, joint repurchase or other accounts may not be utilized by the Series except to the extent permitted under any exemptive order obtained by the Sub-Advisor provided that all conditions of such order are complied with.

- (j) Section 871(m) Transactions: Sub-Advisor shall not on behalf of a Series enter into certain U.S. dividend equivalent payment transactions described in Section 871(m) of the U.S. Internal Revenue Code of 1986, as amended (the "Code") and the regulations thereunder ("871(m) Transaction") with a foreign counterparty unless: (i) Sub-Advisor adheres to the ISDA 2015 Section 871(m) Protocol on behalf of the Series, and (ii) the foreign counterparty to the 871(m) Transaction provides Sub-Advisor with a properly completed Form W-8IMY certifying to its status as a qualified derivatives dealer ("QDD").
- (k) Maintain all accounts, books and records with respect to the Allocated Assets as are required of an investment advisor of a registered investment company pursuant to the 1940 Act and Investment Advisers Act of 1940, as amended (the "Advisers Act"), and the rules thereunder, and furnish the Fund and the Manager with such periodic and special reports as the Fund or the Manager may reasonably request. In compliance with the requirements of Rule 31a-3 under the 1940 Act, the Sub-Advisor hereby agrees that all records that it maintains for each Series are the property of the Fund, agrees to preserve for the periods described by Rule 31a-2 under the 1940 Act any records that it maintains for the Series and that are required to be maintained by Rule 31a-1 under the 1940 Act, and further agrees to surrender promptly to the Fund any records that it maintains for a Series upon request by the Fund or the Manager. The Sub-Advisor has no responsibility for the maintenance of Fund records except insofar as is directly related to the services the Sub-Advisor provides to a Series.
- (l) Observe and comply with Rule 17j-1 under the 1940 Act and the Sub-Advisor's Code of Ethics adopted pursuant to that Rule as the same may be amended from time to time. The Manager acknowledges that the Sub-Advisor's current Code of Ethics was made available (which may have been made available electronically). The Sub-Advisor shall promptly notify the Manager of any material amendment to the Sub-Advisor's Code of Ethics along with certification that the Sub-Advisor has implemented procedures for administering the Sub-Advisor's Code of Ethics.
- (m) From time to time as the Manager or the Fund may request, furnish the requesting party reports on portfolio transactions and reports on investments held by a Series, all in such detail as the Manager or the Fund may reasonably request. The Sub-Advisor will make available its officers and employees to meet with the Fund's Board of Directors at the Fund's principal place of business on due notice to review the investments of a Series.
- (n) Provide such information as is customarily provided by a sub-advisor, or as may be required or reasonably requested by the Manager, for the Fund or the Manager to comply with their respective obligations under applicable laws, including, without limitation, the Code, the 1940 Act, the Advisers Act, the Securities Act of 1933, as amended (the "Securities Act"), and any state securities laws, and any rule or regulation thereunder. Such information includes, but is not limited to: the Sub-Advisor's compliance manual and policies and procedures adopted to comply with Rule 206(4)-7 of the Advisers Act; the Sub-Advisor's most recent annual compliance report or a detailed summary of such report; timely, accurate and complete responses to all 15(c) questionnaires; timely, accurate and complete responses to all Quarterly Compliance Questionnaires (including the identification of any material compliance matters and a copy of any material changes to the Sub-Advisor's Rule 206(4)-7 compliance policies and procedures, marked to show changes along with a written summary of the purpose of each such change); Annual Proxy Voting Questionnaires; Annual Best Execution and Soft Dollar Questionnaires, and responses to all other requests from the Manager. The Sub-Advisor agrees to make available for the Manager's review all deficiency letters issued by the SEC together with all responses given by Sub-Advisor to such letters (which may be made available electronically). The Sub-Advisor will advise the Manager of any material changes in the Sub-Advisor's ownership within a reasonable time after any such change.
- (o) Vote proxies received on behalf of each Series (with respect to the portion thereof allocated to the Sub-Advisor) in a manner consistent with the Sub-Advisor's proxy voting policies and procedures and provide a record of votes cast containing all of the voting information required by Form N-PX in an electronic format to enable the Series to file Form N-PX as required by SEC rule.

- (p) Respond to tender offers, rights offerings and other voluntary corporate action requests affecting securities held by each Series (with respect to the portion thereof allocated to the Sub-Advisor).
- (q) Provide reasonable cooperation to the Manager in its performance of quarterly and annual tax compliance tests to monitor the Series' compliance with Subchapter M of the Code. If it is determined by the Manager or its tax advisors that the Series is not in compliance with the requirements imposed by the Code, the Sub-Advisor, in consultation with the Manager and its tax advisors, will take prompt action (within the scope of the Agreement) to bring the Series back into compliance within the time permitted under the Code. Notwithstanding the foregoing, the Manager acknowledges that it is solely responsible for compliance with the Series' requirements pursuant to the Code.

3. Prohibited Conduct

In providing the services described in this Agreement, the Sub-Advisor will not consult with any other investment advisory firm that provides investment advisory services to any investment company sponsored by Principal Financial Group, Inc. regarding transactions for the Fund in securities or other assets.

4. Compensation

As full compensation for all services rendered and obligations assumed by the Sub-Advisor hereunder with respect to the Allocated Assets, the Manager shall pay the compensation specified in Appendix A to this Agreement.

5. Liability of Sub-Advisor

Neither the Sub-Advisor nor any of its directors, officers, employees, agents or affiliates shall be liable to the Manager, the Fund or its shareholders for any loss suffered by the Manager or the Fund resulting from any error of judgment made in the good faith exercise of the Sub-Advisor's investment discretion in connection with selecting investments for a Series or as a result of the failure by the Manager or any of its affiliates to comply with the terms of this Agreement, except for losses resulting from willful misfeasance, bad faith or gross negligence of, or from reckless disregard of, the duties of the Sub-Advisor or any of its directors, officers, employees, agents, or affiliates.

6. Trade Errors

The Sub-Advisor will notify the Manager of any Trade Error(s), regardless of materiality, promptly upon the discovery of such Trade Error(s) by the Sub-Advisor. Notwithstanding Section 5, the Sub-Advisor shall be liable to the Manager, the Fund or its shareholders for any loss suffered by the Manager or the Fund resulting from Trade Errors due to negligence, misfeasance, or disregard of duties of the Sub-Advisor or any of its directors, officers, employees, agents (excluding any broker-dealer selected by the Sub-Advisor), or affiliates. Any gains that occur due to a Trade Error shall be retained by the Fund. For purposes under this Section 6, a "Trade Error" occurs when a transaction results in an unintended, including an impermissible, result. Examples include, but are not limited to, the following:

- orders by the Sub-Advisor that result in the purchase or sale of securities or other assets that were not intended to be purchased or sold;
- orders by the Sub-Advisor that result in the purchase or sale of securities or other assets in an unintended amount, which includes price or commission rate; or
- purchases or sales of securities or other assets that violate the investment limitations or restrictions disclosed in the Fund's registration statement and/or imposed by applicable law, regulation, contract or understanding (calculated at the Sub-Advisor's portfolio level), unless otherwise agreed to in writing.

7. Supplemental Arrangements

The Sub-Advisor may enter into arrangements with other persons affiliated with the Sub-Advisor or with unaffiliated third parties to better enable the Sub-Advisor to fulfill its obligations under this Agreement for the provision of certain personnel and facilities to the Sub-Advisor, subject to written notification to and approval of the Manager and, where required by applicable law, the Board of Directors of the Fund; provided, however, that entry into any such arrangements shall not relieve the Sub-Advisor of any of its obligations under this Agreement.

8. Regulation

The Sub-Advisor shall submit to all regulatory and administrative bodies having jurisdiction over the services provided pursuant to this Agreement any information, reports or other material which any such body may request or require pursuant to applicable laws and regulations.

9. Duration and Termination of This Agreement

This Agreement shall become effective with respect to a Series as of the corresponding date set forth on Appendix B to this Agreement, as may be amended from time to time, and, unless otherwise terminated with respect to such Series, shall continue in effect thereafter for the initial term set forth on Appendix B to this Agreement, and thereafter from year to year, provided that in each case the continuance is specifically approved within the period required by the 1940 Act either by the Board of Directors of the Fund or by a vote of a majority of the outstanding voting securities of the Series and in either event by a vote of a majority of the Board of Directors of the Fund who are not interested persons of the Manager, Principal Financial Group, Inc., the Sub-Advisor or the Fund cast in accordance with the requirements of the 1940 Act after taking into effect any exemptive order, no-action assurances or other relief, rule or regulation upon which the Fund may rely.

If the shareholders of a Series fail to approve the Agreement or any continuance of the Agreement in accordance with the requirements of the 1940 Act, the Sub-Advisor will continue to act as Sub-Advisor with respect to the Allocated Assets of such Series pending the required approval of the Agreement or its continuance or of any contract with the Sub-Advisor or a different manager or sub-advisor or other definitive action; provided, that the compensation received by the Sub-Advisor in respect to the Allocated Assets of such Series during such period is in compliance with Rule 15a-4 under the 1940 Act.

This Agreement may be terminated with respect to a Series at any time without the payment of any penalty by the Board of Directors of the Fund or by the Sub-Advisor, the Manager or by vote of a majority of the outstanding voting securities of the Series on sixty days' written notice. This Agreement shall automatically terminate in the event of its assignment. In interpreting the provisions of this Section 9, the definitions contained in Section 2(a) of the 1940 Act (particularly the definitions of "interested person," "assignment," "voting security" and "majority of the outstanding voting securities") shall be applied.

10. Amendment of this Agreement

No amendment of this Agreement shall be effective unless in writing and signed by both parties. No material amendment of this Agreement shall be effective until approved, if required by the 1940 Act or the rules, regulations, interpretations or orders issued thereunder, by vote of the holders of a majority of the outstanding voting securities of the Series (as defined in the 1940 Act) and by vote of a majority of the Board of Directors of the Fund who are not interested persons (as defined in the 1940 Act) of the Manager, the Sub-Advisor, Principal Financial Group, Inc. or the Fund cast in accordance with the requirements of the 1940 Act after taking into effect any exemptive order, no-action assurances or other relief, rule or regulation upon which the Fund may rely.

11. Additional Series

In the event the Manager wishes to appoint the Sub-Advisor to perform the services described in this Agreement with respect to one or more additional Series of the Fund after the effective date of this Agreement, such Series will become a Series under this Agreement upon approval of this Agreement in the manner required by the 1940 Act and the amendment of Appendices A and B hereto.

12. General Provisions

- (1) Each party agrees to perform such further acts and execute such further documents as are necessary to effectuate the purposes hereof. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Iowa. The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.
- (2) Any notice under this Agreement shall be in writing, addressed and delivered or mailed postage pre-paid to the other party at such address as such other party may designate for the receipt of such notices. Until further notice to the other party, it is agreed that the address of the Manager for this purpose shall be Principal Financial Group, Des Moines, Iowa 50392-0200. The address of the Sub-Advisor for this purpose shall be Grantham, Mayo, Van Otterloo & Co. LLC, 53 State Street, Boston, MA 02109.
- (3) The Sub-Advisor will promptly notify the Manager in writing of the occurrence of any of the following events:
 1. the Sub-Advisor fails to be registered as an investment advisor under the Advisers Act or under the laws of any jurisdiction in which the Sub-Advisor is required to be registered as an investment advisor in order to perform its obligations under this Agreement.
 2. the Sub-Advisor is served or otherwise receives notice of any action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, involving the affairs of a Series.
 3. the Sub-Advisor becomes aware of any pending or threatened action, suit, proceeding, inquiry or investigation that is reasonably likely to result in a conviction, order, judgment or decree issued with respect to it or any affiliate that could reasonably be expected to result in the Sub-Advisor becoming ineligible to serve as an investment advisor of a registered investment company under the 1940 Act.
 4. the Sub-Advisor becomes aware of a transaction or series of transactions that is reasonably likely to result in a change in the management or control of the Sub-Advisor or a controlling person thereof or otherwise in the assignment (as defined in the 1940 Act) of this Agreement by the Sub-Advisor.
- (4) The Manager shall provide (or cause the Series custodian to provide) timely information to the Sub-Advisor regarding such matters as the composition of the assets of a Series, cash requirements and cash available for investment in a Series, and all other reasonable information as may be necessary for the Sub-Advisor to perform its duties and responsibilities hereunder.
- (5) The Sub-Advisor represents that it will not enter into any agreement, oral or written, or other understanding under which the Fund directs or is expected to direct portfolio securities transactions, or any remuneration, to a broker or dealer in consideration for the promotion or sale of Fund shares or shares issued by any other registered investment company. The Sub-Advisor further represents that it is contrary to the Sub-Advisor's policies to permit those who select brokers or dealers for execution of Fund portfolio securities transactions to take into account the broker's or dealer's promotion or sale of Fund shares or shares issued by any other registered investment company.
- (6) The Sub-Advisor agrees that neither it nor any of its affiliates will in any way refer to its relationship with the Fund, the Series, or the Manager or any of their respective affiliates in offering, marketing or other promotional materials without the express written consent of the Manager.
- (7) This Agreement contains the entire understanding and agreement of the parties.
- (8) This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Each party agrees that electronic signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means any electronic sound, symbol, or process attached to or logically associated with a

record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures.

- (9) The Manager shall be responsible for: (a) making tax reclaim filings in respect of any tax deducted at source (e.g., pursuant to treaty or domestic law provisions); (b) maintaining or providing tax-related documentation to relevant parties that may be required to satisfy applicable information tax reporting regimes (e.g., the U.S. Foreign Account Tax Compliance Act), treaty, repatriation and similar requirements; (c) providing each Series with tax reporting and tax advice; (d) establishing and maintaining relationships with local tax agents, if required; and (e) managing and evaluating the amount, timing and/or U.S. federal tax character of each Series' distributable income and/or gains.

THE SUB-ADVISOR PROVIDES COMMODITY TRADING ADVICE TO QUALIFIED ELIGIBLE PERSONS UNDER AN EXEMPTION GRANTED BY THE U.S. COMMODITY FUTURES TRADING COMMISSION (THE "COMMISSION"). THE MANAGER IS A QUALIFIED ELIGIBLE PERSON AND BY SIGNING BELOW THE CLIENT IS CONSENTING TO ITS PARTICIPATION IN A COMMODITY TRADING PROGRAM THAT OPERATES UNDER THE COMMISSION EXEMPTION.

THIS AGREEMENT IS NOT REQUIRED TO BE AND HAS NOT BEEN FILED WITH THE COMMISSION. THE COMMISSION DOES NOT PASS UPON THE MERITS OF PARTICIPATING IN A COMMODITY TRADING PROGRAM OR UPON THE ADEQUACY OR ACCURACY OF COMMODITY TRADING ADVISER DISCLOSURE. FOR THIS REASON, THE COMMISSION HAS NOT REVIEWED OR APPROVED THE SUB-ADVISOR'S COMMODITY TRADING PROGRAM OR THIS AGREEMENT.
